

Adopt a Family Holiday Program

The generosity of this gift is felt where it counts the most, in the heart of a child.

What is Adopt a Family?

The Adopt a Family program is designed to help Children's Hospital Colorado families who are in need during the holiday season. Donors decide the size of the family they wish to sponsor and the number of families.

Generosity such as yours contributes to making the holiday season more bearable for our families in need. As a non-profit institution, Children's Colorado depends on the generosity of the community to help meet the needs of our patients and their families.

Important information for donors:

- Due to infectious disease guidelines, we will not be able to accept physical gifts this year. We will be utilizing the website Perfect gift to accept electronic gift cards. If you are not able to purchase an electronic gift card, physical cards can be mailed in.
- **DEADLINE: Gift cards need to be purchased and emailed/ dropped in no later than November 24th.** This will allow us to send the gift cards to families in time to allow them to shop for gifts before the holidays.
- All gift cards must be brand new. We are not allowed to accept ANY used gift cards due to infectious disease and liability purposes.
- When choosing your family size please note that you should have a \$100 minimum, per person, budget in mind and we are suggesting a \$100 allotment for groceries so families can purchase a holiday meal (this can be in the form of a grocery store gift card or visa gift card). Example: Adopt a family of 4 = \$400 minimum + \$100 grocery gift card = \$500 total budget.

Thank you so much for your continued support of Children's Colorado!
